

## **GRANTS FOR SUMMER CAMPS**

**Dear Families,**

**Please take a look at the list of 5 possible grants that could help fund your child's summer camps, those highlighted. This list is from the [autismspeaks.org/autism-grants-families](http://autismspeaks.org/autism-grants-families). You can visit this website and follow the link for the appropriate grant.**

**This is time critical for several on the list.**

**Also, please make copies of the Arts 'n Autism Scholarship Fund form and letter from students and grandparents. These can be distributed to friends and family to help fund your child's camp(s).**
